

3 August 1955

**MEMORANDUM FOR:** Acting Deputy Director (Support)

**SUBJECT** : Department of Defense Bus Passes

**REFERENCE** : Memorandum for OGC from Acting Chief, Passenger Movement Branch, Transportation Division/Office of Logistics, same subject, dated 29 July 1955

25X1A9a 1. [ ] of the Office of Logistics has been conducting negotiations with Colonel Alcorn B. Johnson of the Department of Army to obtain passes which would permit CIA personnel to use Department of Defense busses in the Washington Metropolitan area. The remaining snag in negotiations results from Colonel Johnson's requirement that CIA furnish written assurance that any claims by CIA employees resulting from injuries sustained in a Department of Defense bus accident be handled by CIA rather than the Department of the Army. This would be the Agency's normal procedure in any event, but to satisfy the Department of Army, I have prepared the attached letter to be signed on behalf of the Director by you.

25X1A9a 2. When the letter is ready to be forwarded, will you please send it to [ ], 2401-E, Curie Hall.
